

Public Information Meeting about the Red Hook Park Ballfields

Join representatives from the U.S. Environmental Protection Agency (EPA) and NYC Parks at a public information meeting on:

**Thursday, August 4th
6:30 PM – 9:00 PM
Miccio Center Gymnasium
110 West 9th Street
Brooklyn, NY 11231**

Representatives from EPA, NYC Parks and other city agencies will be on hand to update the community on the status of the cleanup of the Red Hook Park ballfields and to answer questions. For more information about the site you can visit:

<https://www3.epa.gov/region02/superfund/removal/columbia/>

For additional information about the meeting you can call Natalie Loney, EPA Community Involvement Coordinator at 212-637-3639.
